⁸ The US\$ 365 Million Challenge Grant from the Bill & Melinda Gates Foundation to Rotary International is reflected in both the Bill & Melinda Gates Foundation and Rotary International 2006-2012 contribution lines, though the contribution is only counted once in the subtotal line. At the 2013 Vaccine Summit, the Bill and Melinda Gates Foundation pledged US\$ 1.6 billion, which includes direct funding to WHO, UNICEF and Gavi, the Vaccine Alliance as well as challenge funding to third parties to leverage additional contributions. As of 15 May 2017, US\$ 1224.07 million has been directly granted to WHO, UNICEF and Gavi for 2013-2017. In 2013, Rotary pledged up to US\$ 175 million for 2013-2017, which will be matched 2:1 by the Bill & Melinda Gates Foundation. Contributions from both under this match scheme will be reflected as and when funds are confirmed. Rotary's contributions to the GPEI are through the Rotary Foundation.
